

ROMA MEETING WUJA

From 14 to 16 September 2016 was held in Rome a meeting organized by JEA (Jesuit Alumni Europe) with the support of WUJA (World Union of Jesuit Alumni), which was well attended by both European and the rest of the world representatives.

The main reason revolved around "Global Migration and Refugee Crisis, Time Contemplate and act".

The success of the working day was very satisfying since various actions to try to respond and help this world situation caused by the exodus of refugees to areas of the world where they can find peace and family stability were agreed.

The last two days were devoted to holding a General Assembly WUJA with the participation of their representatives and treating themes of the organization. The meeting ended with a private audience, the Holy Father Francisco.

In this Assembly, he was invited OMAEC president Mr. José Antonio Cecilia, who gave a presentation to the members present on the OMAEC organization, which was very well received by those present and ended with a round of consultations and consultative dialogue.

OMAEC sincerely thank the WUJA in the person of its president Mr. Alain Deneef, this gesture of brotherhood.
