Message from the Ecclesiastical Assistant

Dear alumni from the Catholic Schools in the world, associations related with OMAEC:

By means of the present letter, I want to send you a greeting and express my best wishes to be, anywhere in the world that we are, a simple expression that the seed sowed in our beloved schools, today gives fruit of faith, hope and charity.

Greetings to the priests and religious closest to you.

I hope we can meet many in the Assembly of Rome to express to Pope Francis our willingness to contribute to the proclamation of the joy of the Gospel and for integral human development.

With my blessing, a fraternal greeting,

**+ Luis J. Argüello, Auxiliary Bishop of Valladolid (Spain)
